For EYES And EASE

★ Today's active women want comfort in their footwear, but they also demand styles as smart as their clothes. Foot Rests offer a wide variety of up-to-the-minute designs, materials, and colors. And in addition, you'll find hidden away in every pair, the famous Four-Spot Comfort features which cushion and support the foot, reduce fatigue, help keep youth in your face, feet, and figure. Come in and try on Foot Rests. You'll be surprised!
